3D Visualiser

Gabriel Saunders has established itself as Australia's premium quality architectural visualisation and interior styling studio. Our tailored approach, unique methodology and cross disciplinary team create a unique offering for our clients. This methodology in turn provides our studio the creative freedom to challenge our clients expectations and produce stunning and successful outcomes for their projects.

We work with the world's leading architects, interior designers, branding agencies, photographers and developers - the designs are beautiful and the expectations are high.

The successful candidate will develop a strong design aesthetic working on an enviable pipeline of projects across a variety of industries. We believe in dynamic careers and nurturing people's strengths and interests through work life balance, varied opportunities and experiences.

The Position

The 3D Visualiser will work as part of the studio team to produce high quality rendered images. You will work collaboratively with our Stylists, Photographers, Post Production Artists, Modellers, other Visualisers and Creative Directors to create beautiful imagery.

Why work for GS?

- Work with leading local and global design teams on exciting projects
- Encouraging, creative, open, diverse and motivated culture
- Recognised studio globally - Winner of Best Rendering Studio, Architizer Awards 2021
- Work life balance
- Opportunity to work autonomously
- Access to ongoing professional development and career progression
